Bulletin No. 15

BCTF Day of Action

BURNABY—On Monday, February 27, BC Teachers' Federation members will participate in a day of action to respond to the government fact finder's report on BCTF/BCPSEA bargaining.

The day of action will see BCTF members work bell-to-bell, and attend lunch-time school-based union meetings to review the report and plan further action. BCTF locals may also hold after school demonstrations. CUPE members are not expected to be affected by day of action activities. If concerns arise, please contact your local union.

CUPE fully supports the BCTF and their locals in their struggle to maintain free collective bargaining in British Columbia. CUPE members are encouraged to participate wherever possible to show our support in their actions.
