e)

ARTICLE 5 - JOB ANALYSIS PROCEDURES AND RATINGS FOR NEW AND/OR CHANGED JOBS

5.1 The following general procedure shall be used to rate jobs:

a) Step 1

A Job Analysis Questionnaire shall be completed by the incumbent(s) and the supervisor. The completed questionnaire shall be submitted to the J.J.E.M.C. along with the copy of the current job description. The questionnaire should detail any changes to the job resulting from new or changed circumstances in the job.

b) Step 2

The Committee shall, if necessary, draft a new job description based on the information gathered. Where further information is required, interviews shall be held with the incumbent(s) and/or the supervisor. The Committee shall provide a draft job description to the incumbent(s) and the supervisor for their input. Amendments may be made to the proposed job description, as deemed necessary by the Committee, from the response of the incumbent(s) and the supervisor.

c) Step 3

The job shall now be rated, based on the agreed-upon job description, in accordance with the job evaluation plan. The Committee shall also use information obtained from the completed questionnaire, interviews with the incumbent(s) and/or supervisor and, if required, visits to the job site. The plan evaluates the skill, effort, responsibility, and working conditions involved in the job. Each of these factors is subdivided into subfactors which provide a standard against which each job is rated to determine its relative worth.

d) Step 4

When the Committee has completed rating the job, it will provide the supervisor and the incumbent(s) with a copy of the job description and Advice of Rating Form (Appendix A).

5.2 In the application of the job evaluation plan, the following general rules shall apply:

- a) It is the content of the job, and not the performance of the incumbent(s), that is being rated;
- b) Jobs are evaluated without regard to existing rates of pay;
- c) Jobs are rated at the appropriate degree level in each subfactor by comparing the specific requirements of the job to the subfactor definition, and the description of each degree level;
- d) The job analysis and rating of each job shall be relative to and consistent with the job descriptions and ratings of all other jobs rated under the plan;
- e) No interpolation of subfactor degrees (i.e. mid-points) is permitted;
- f) The factors and subfactors must have an impact on all jobs being rated;
- g) Rating decisions shall include a sore-thumbing process to ensure consistency in committee decisions;
- h) A Committee member may be excused from rating their own or any position where the rating of that position may place them in a conflict of interest situation.

ARTICLE 6 - MAINTAINING THE JOB EVALUATION PROGRAMME

6.1 It is important that each party maintain accurate job descriptions and job ratings on an ongoing basis. Failure to do so will serve to damage the integrity of the programme. It is the intent of the parties to review jobs periodically upon request and to conduct a comprehensive review of one third (1/3) of all jobs each year.

6.2 Job Evaluation Procedures for Changed Jobs

Whenever the employer changes the duties and responsibilities of a job or the incumbent(s)/Union feel that the duties and responsibilities of a job have been changed, or that the job description does not reflect the duties and responsibilities of the job, the following procedures shall be followed:

- a) The incumbent(s)/union or the supervisor/employer may request a job evaluation review by completing and submitting a Job Evaluation Reconsideration Form (Appendix B) along with a completed Job Analysis Questionnaire and revisions to the job description.
- b) Upon receipt of a completed Job Evaluation Reconsideration Form, the J.J.E.M.C. shall proceed to gather accurate, up-to-date information on the job in accordance with Articles 5 and 6. The gathering of information shall involve requesting the incumbent(s) and supervisor to complete an up-to-date job analysis questionnaire along with revisions to the job description. Where further information is required, interviews shall be held with incumbents and/or supervisors and/or visits to the job site. Based on this information, the Committee shall update the job description as necessary;
- c) Where the duties and responsibilities and/or the job description has been changed, the Committee shall meet to rate each subfactor of the job, and to establish a new rating for the job and advise the incumbent(s) and/or supervisor of its decision (Appendix A). The rating of the job shall determine the rate of pay for the job;

6.3 Job Evaluation Procedures for New Jobs

Whenever the employer establishes a new job, the following procedures shall apply:

- a) The employer shall prepare a draft job description for the job;
- b) Management shall establish a temporary rate of pay for the job, based on the draft job description;

- c) The job shall be posted (if required by the Collective Agreement) and any person appointed to the job shall be paid the temporary rate of pay. The posting and/or letter of appointment shall clearly state that the rate of pay is temporary, pending job evaluation.
- d) Six (6) months after appointment to the job, the incumbent(s) and the supervisor shall complete a Job Analysis Questionnaire. The questionnaire shall be submitted, along with any revisions to the job description, to the J.J.E.M.C. The agreed upon job description shall be rated in accordance with the procedure set out in Article 5.
- e) If the rate of pay increases as a result of the six month review, such increase shall be paid to each incumbent effective the date of his/her appointment to the job. In the event that the rate of pay of the job decreases as the result of this six month re-examination of the job, the incumbent shall receive the new rate of pay effective upon completion of the rating procedure by the J.J.E.M.C..

ARTICLE 7 - SETTLEMENT OF DISAGREEMENTS

- 7.1 In the event that a majority of the Union or a majority of the Management J.J.E.M.C. members disagree, the disagreement will be referred to step 3 of the grievance procedure as per the Collective Agreement.

ARTICLE 8 - APPLYING THE RATING TO THE RATES OF PAY

- 8.1 Job ratings serve to:
- a) group jobs having relatively equivalent point values (this is commonly referred to as banding);
 - b) provide the basis upon which rate of pay relationships between jobs are established;
 - c) measure changes in job content;
 - d) assign jobs into their proper rate of pay in Schedule "A" of the Collective Agreement.
- 8.2 The total point allocation shall be used to determine the rate of pay for jobs. Rates of pay are provided in the Collective Agreement.

- 8.3 If a job is rated at a rate of pay higher than that current for the job, the rate of pay shall be adjusted to the higher rate of pay on the new salary schedule, retroactive to the date the Job Evaluation Reconsideration Form was submitted.
- 8.4 Following submission of a reconsideration request form, if a job is rated at a rate of pay lower than the current rate of pay for the job, all incumbents of such job shall continue to receive their existing rate of pay in accordance with Article 27.03 of the Collective Agreement.

ARTICLE 9 - CONCLUSION AND IMPLEMENTATION

- 9.1 The J.J.E.M.C. shall report its recommendations for change to the job evaluation plan or its maintenance manual to the parties for ratification.
