THANK YOU!

A big thank you to CUPE K-12 members for supporting children of essential services workers and vulnerable children in B.C. schools during these challenging times. Custodians, clerical, education assistants, bus drivers, IT, and many members who were redeployed provided supports to students and their families. Members collected, sorted, and distributed food to families in their communities. They delivered learning packages to students and helped where they were needed so that voluntary in-class instruction could be offered to families starting in June.

The hard work, attention to detail, and care for students that members bring to their jobs, is appreciated and valued.

On behalf of the K-12 Presidents Council I want to also thank the business agents, CUPE National reps, and specialist reps who support the work of our locals every day.

Please stay safe

Continue to follow the protocols of the Provincial Health Officer over the summer:

- ▲ Always stay home if you're ill
- ▲ Always follow good hand hygiene
- ▲ Always maintain a safe distance when you can, and use barriers for protection when you can't maintain that safe, two-metre distance apart

Use a non-medical mask when you can't always consistently maintain a safe distance

Don't forget to check out the K-12 Presidents Council [video](#) thanking members for all their work during this COVID-19 pandemic.

Have a safe summer and enjoy your time with family and friends.

In solidarity and safety,

Warren Williams
